

Road works on the Peninsula Link Freeway now starting 19 February 2026. No closures on Labour Day Weekend

Community notification

February 2026

Peninsula Link is carrying out major road works along 14 kilometres of the freeway to maintain a safe and reliable connection for drivers travelling between the Mornington Peninsula and Melbourne's south-east.

We will undertake these works in sections, rebuilding the freeway from the ground up, replacing layers of pavement below the road surface to make it stronger and better suited to road conditions.

The final stages of works will involve reconstructing the southbound and northbound carriageways of the freeway between Bungower Road and Old Moorooduc Road.

Please refer to the map overleaf.

When we'll be working

Works on 8kms of the **southbound carriageway** will take place from **7pm Thursday 19 February to 6am Friday 6 March**.

Works will be carried out day and night, seven days a week to complete the upgrades as efficiently and safely as possible.

All dates are subject to weather and site conditions.

Upcoming traffic changes: From 19 February to 6 March

To ensure the safety of motorists and our workers, the following staged road and ramp closures will be in place within the work zone.

Southbound carriageway:

- All southbound lanes between Bungower Road and Old Moorooduc Road, including the exit ramps to Mornington Tyabb Road and Old Moorooduc Road, will be closed from 7pm Thursday 19 February to 6am Friday 6 March.
- The southbound entrance ramp from Bungower Road will also be closed for the duration of southbound works. Detour via Bungower Road and Moorooduc Highway.

The service station junction will remain open at all times.

Motorists are advised to plan ahead, allow extra travel time, and follow the instructions of traffic controllers and signage around the worksite.

Visit peninsulalink.com.au for updates on the works.

There may be disruptions to public transport services during these works. Please visit the Public Transport Victoria website (transport.vic.gov.au) for the latest updates.

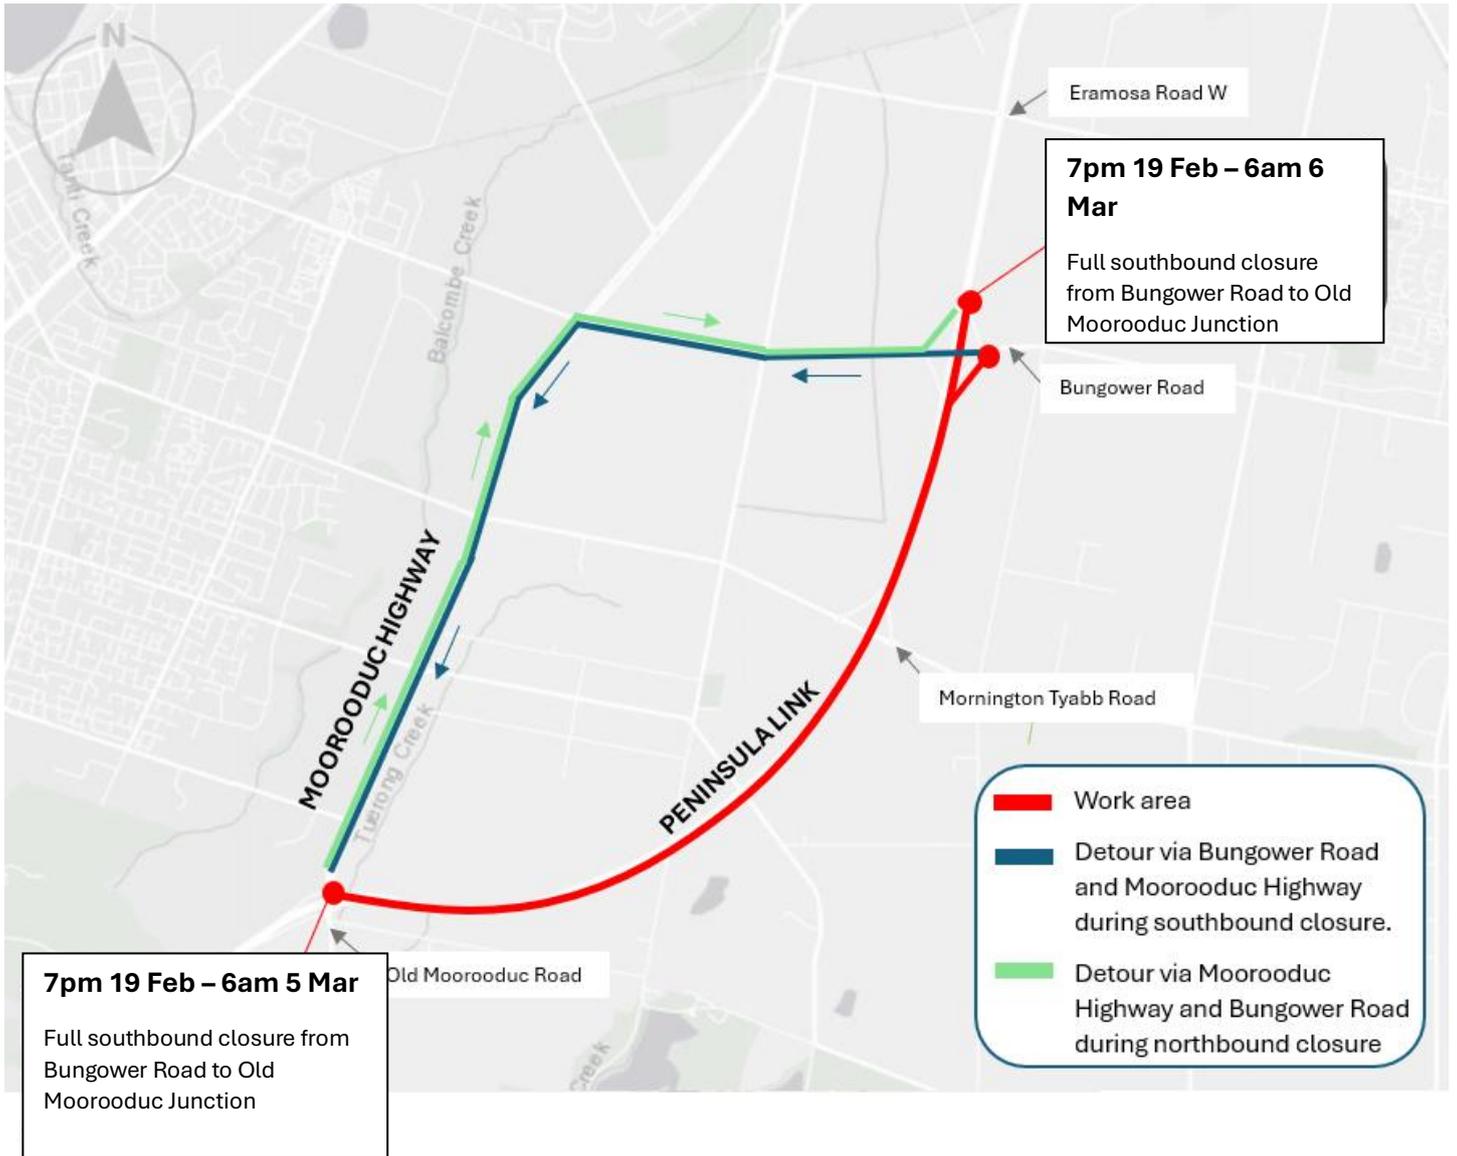

What will this mean for you?

During the works, you may notice:

- workers and vehicles
- traffic controllers and signage
- road closures and reduced speed limits
- noise from machinery and equipment.

Stay up to date

Visit peninsulalink.com.au for more information about these works. If you would like to be notified about other upcoming works on the freeway, you can contact us on 03 8592 6689 or peninsulalink@servicestream.com.au.
