

# Road works on the Mornington Peninsula Freeway from 22 March

Community notification  
March 2026

Peninsula Link is carrying out major road works along 14 kilometres of the freeway to maintain a safe and reliable connection for drivers travelling between the Mornington Peninsula and Melbourne's south-east.

We will undertake these works in sections, rebuilding the freeway from the ground up, replacing layers of pavement below the road surface to make it stronger and better suited to road conditions.

The next stage of the works will see crews installing new traffic counting loops, placing of the new pavement surfacing and final line-marking on the northbound lanes of the Mornington Peninsula Freeway at the interchange with Moorooduc Highway.

Please refer to the map overleaf.

## When we'll be working

We will be working at this location for up to 6 days, from 5am Sunday 22nd March to 10pm Thursday 27th March, before moving on to the next work area.

Works will be carried out during the day and night, seven days a week.

Exact work dates are subject to weather conditions.

## Upcoming works: From 5am Sunday 22nd March to 10pm Thursday 27th March

To ensure the safety of motorists and our workers, lane and ramp closures will be in place within the work zone, as follows:

- Only one northbound lane will be open from 5am Sunday 22nd March to 10pm Thursday 27th March. At times traffic will use the emergency lane.
- The Northbound exit to Moorooduc Highway will be closed at times. Detour via Bungower Rd and Moorooduc Highway.

Delays of up to 10 minutes at peak times are expected. Motorists are advised to plan ahead, allow extra travel time, and follow the instructions of traffic controllers and signage around the worksite.

Disruptions expected to bus routes 887 and 788 due to delays from these works. Please visit Transport Victoria ([transport.vic.gov.au](http://transport.vic.gov.au)) to check if your impacted and for the latest updates.

Visit [peninsulalink.com.au](http://peninsulalink.com.au) for updates on the works.

## What will this mean for you?

During the works, you may notice:

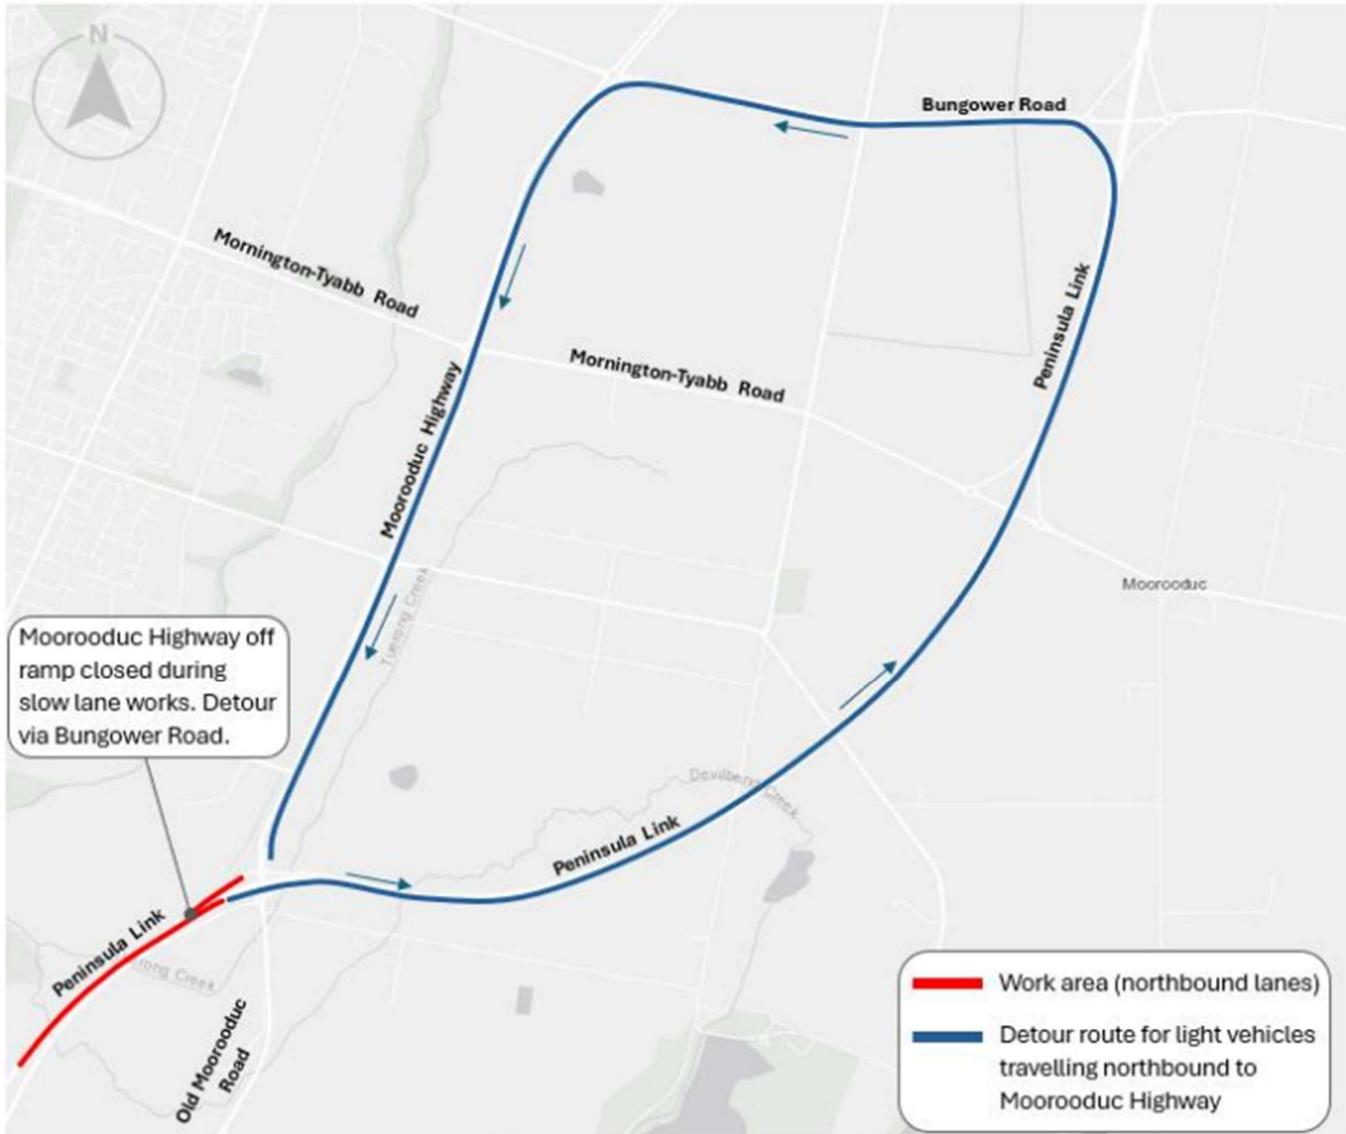

- workers and vehicles
- traffic controllers and signage
- road closures and reduced speed limits
- noise from machinery and equipment.

## Stay up to date

Visit [peninsulalink.com.au](http://peninsulalink.com.au) for more information about these works. If you would like to be notified about other upcoming works on the freeway, you can contact us on 03 8592 6689 or [peninsulalink@servicestream.com.au](mailto:peninsulalink@servicestream.com.au).

## Location of work (Northbound lanes only)
